

Dear Nafta College Team,

Thank you for the email and for providing us with a team certificate from the PetroCup World Student Olympiad (PWSO 2023) | Southeast Asian League. We are delighted to receive this recognition from Nafta College.

Participating in the PWSO was indeed an incredible experience that has significantly contributed to my theoretical knowledge and skill set in alignment with the oil and gas industry's requirements and challenges. Working in a small field development group during the competition has not only enhanced my technical abilities but also strengthened my teamwork and collaboration skills.

I am grateful for the opportunity to represent Nafta College in this prestigious event. The support and guidance from the college team have been invaluable throughout the competition.

I look forward to the future and hope to have the chance to participate in the PWSO again in 2024. Please extend my gratitude to the entire Nafta College team for their continuous support and encouragement.

Best regards,
Amri Syukur (Capt. TRIAS ISTA Jakarta)
